John Muir Award

The John Muir Award encourages people of all backgrounds to connect with, enjoy and care for wild places. Our staff can help your Scouts or Guides work towards or achieve this during their visit to Fairburn Activity Centre.

The Award is inclusive, accessible and non-competitive, though should challenge each participant. It encourages awareness and responsibility for the natural environment through a structured yet adaptable scheme, in a spirit of fun, adventure and exploration.

It's open to all who can understand and meet the Award Criteria. It is ideally suited for those participants working at the later stage of primary education and beyond. Adults are welcome to get involved too – on their own, in groups, or alongside younger participants.

If your group would be interested in this please get in touch!
